ACADEMIC HISTORY

North State University | 2025-2027

Master of Systems Design and Management

- GPA: 3.7
- Best Thesis Awardee
- Best Mentor Awardee

South City College | 2021-2025

Bachelor of Science in Computer Engineering

- GPA: 3.8
- Editor-in-Chief, The SCC Newsletter
- President, The IT Society

AWARDS AND CERTIFICATION

Risk Management and Mitigation | 2031

Academy of Internal Auditors

- Contributed to organizational resilience and stability

Project Management | 2032

The Project Management Institute

- Improved project success rates and efficiency

PROFESSIONAL SUMMARY

I am a Systems Design Professional with extensive experience developing and implementing system architectures. I am proficient at system analysis, requirement gathering, technical documentation, and collaborating with multidisciplinary teams

WORK EXPERIENCE

Senior Systems Engineer | 2030-2035

The IT Company

- Led the design and implementation of embedded systems and network architectures
- Collaborated with cross-functional teams to develop comprehensive design documentation
- Utilized tools to create detailed system models and simulations

Systems Architect | 2027-2030

Cyber Tech Company

- Optimized large-scale systems to enhance operational efficiency and scalability
- Standardized system design processes by developing architectural frameworks and guidelines
- Aligned system architecture with business goals and technical requirements

SKILLS

- Technical Skills: System Architecture Design, Software Development, Database Management, Cloud Computing
- Soft Skills: Effective Communicator, Flexible, Agile, Smooth Collaborator
